

FRIDAY FLYER

Friday 19th April 2024

Dear parent/carer,

It has been a quiet week in school with children getting back into the swing of routines and encountering new topics across the curriculum. Our new website is up and running. We have a few changes that we would like to make which will take a few months to upload and publish but the organisation of information seems easier to access. All curriculum progression maps, policies and term time calendar of events can all be accessed daily on the site. Calendars are updated weekly so that parents can check dates and times of weekly events.

A gentle reminder that all teacher led clubs begin next week. For timetables of these clubs, please visit the school website below. (March Friday Flyer)

Mrs Gail Watson will be leaving us at the end of this month. She has secured a promotion in Gateshead which will allow her to practice her mental health and wellbeing role on a more permanent basis. She has been an incredible source of strength and support for so many children over the last eleven years. We wish her the very best in this new challenge.

CAREERS WEEK (29.4.24 – 3.5.24)

We are really looking forward to welcoming some of our parents into school during careers week. This is always a fantastic opportunity for children to develop their understanding of the career opportunities that they may encounter and hopefully spark an early interest in a subject/career.

We have a range of parents who have offered to come in to talk to the children about their roles in the community and further afield.

We will of course keep families up to date through facebook and newsletters.

Many thanks in advance for your time.

STEM WEEK (20.5.24 – 24.5.24) letter attached

We would like to offer this invitation out to any parents who work in Science, Maths, Technology careers who would be willing to share their role with our pupils. We are flexible with times and would really appreciate your time in sharing your own career experiences. Contact the school office to book a slot.

Proud Wall

A gentle reminder that any achievements that your child would like displayed on our proud wall, send in with a brief description so that we can display them in the school entrance. Thank you for taking the time to share these out of school time achievements with us.
